

## **GIRLS CIRCLE**

The Girls Circle program involves discussion and creative expression in a group setting, instructed by female court staff.

- Participation is open to all female youth who are involved in the Juvenile Court process (probation, diversion, and truancy/at-risk youth).
- The curriculum includes topics regarding body image, healthy relationships, expressing individuality, and pathways to the future.
- The goal of the program is to provide females a safe and secure environment in which to develop skills to resist negative influences and to identify opportunities to create a healthy future.
