Subject: **Proposed amendments to Exhibit G regarding the Nisqually Reach Aquatic Reserve**

The following amendments to Exhibit G to Ordinance No. 2013-45s3 would prohibit the majority of new shellfish aquaculture and the dumping of Dredge Materials within the Nisqually Reach Aquatic Reserve.

1. On page 45 of Exhibit G, starting on line 32, strike regulation number 17. in its entirety and insert the following revised regulation number 17. to show as follows:

~~17. Aquaculture is prohibited in Oro Bay on Anderson Island due to high levels of pollution.~~

17. With the exception of Olympia Oyster propagation which is a conditional use, new commercial shellfish aquaculture operations are prohibited within the Nisqually Reach Aquatic Reserve.
2. On page 30 of Exhibit G, starting on line 3, insert the following new item d. to show as follows:
 1. The following activities are prohibited:
 - d. Disposal of dredged material within the Nisqually Reach Aquatic Reserve.
