Subject: **Proposed amendment to Exhibit G concerning water access facilities**

The following amendment to Exhibit G to Ordinance No. 2013-45s would eliminate the reference to "water access stairs." as a water access facility.

1. On page 58 of 111, of Exhibit G, line 15, following "(pier, ramp, and/or float)" insert "and" and after "boathouse" delete "and water access stairs" to show the revised subsection as follows:
2. Parcels may be served by no more than three water access facilities. For purposes of this subsection, water access facility shall include water dependent facilities such as, but not limited to: mooring buoy, mooring piling, float, lift, railway, launching ramp, dock (pier, ramp, and/or float), and boathouse. The following additional criteria shall apply to the number of facilities allowed:
