

LANDSLIDE HAZARD GEOTECHNICAL LETTER FORMAT

Include this heading on letter:

LANDSLIDE HAZARD GEOTECHNICAL LETTER

Include this section identifying the parcel and date of the assessment.

Geological Assessment prepared on *(date(s))* for Parcel number(s), // Located at *(Site Address)*

Include a brief description of the project and site that can be compared with the submitted application.

The following paragraph must be completed and included exactly as follows:

The services described in this report were prepared under the responsible charge of *(Individual's Name)*. *(Individual's name)* meets the qualifications contained in section 18E.80.030 to prepare a landslide hazard geological assessment. *(Individual's Name)* understands the requirements of the current Landslide Hazard Area Chapter 18E.80 and the definitions of the applicable terms contained within Chapter 18.25. Individuals under the responsible charge of *(Individuals Name)* have performed a landslide hazard geological assessment, conducted a field investigation and researched historic records on or in the vicinity of the above referenced site. In my opinion, the scope of services completed for this project is adequate to meet the requirements of this Title and it does not appear that an active landslide hazard area exists within 300 feet of the site.

Include Company/Individual and Property Owners Contact info and registration stamp.
