

Frederickson Transportation Priority Projects

Priority	Project Location	Project Description
Premier	70 Avenue E-160 Street E to 204 Street E	New road with sidewalks and paved shoulders
	78 Avenue E-160 Street E to 176 Street E	New road with sidewalks and paved shoulders
	86 Avenue E-152 Street E to 176 Street E	New road with sidewalks and paved shoulders
High	22 Avenue E-181 Street E to 208 Street E	Add turn lane, improve drainage and horizontal alignment, add sidewalks and paved shoulders
	36 Avenue E-Military Road E to 176 Street E	Sidewalks and paved shoulders (possible bike route)
	38 Avenue E-176 Street E to 200 Street E	Add turn lane, improve intersections, add paved shoulders and add sidewalk on west side of road
	38 Avenue E-200 Street E to Wright Road E	New road with sidewalks and paved shoulders
	74 Avenue E-182 Street E to 204 Street E	New road with sidewalks and paved shoulders
	78 Avenue E-176 Street E to 204 Street E	Add turn lane, improve intersections, add sidewalks and paved shoulders
	152 Street E-27 Avenue E to Brookdale Road E	Sidewalks and paved shoulders
	160 Street E-Canyon Road E to 86 Avenue E	Add lanes, sidewalks and paved shoulders
	200 Street E/Knoble Road E-38 Avenue E to Canyon Road E	Add turn lane, sidewalks and paved shoulders (possible bike route)
	Canyon Road E-160 Street E to 192 Street E	Add lanes, improve alignment, add channelization, signals, sidewalks and paved shoulders
	Canyon Road E South Extension-192 Street E to 208 Street E	New road with paved shoulders and sidewalks or trail
	Military Road E-27 Avenue E to Canyon Road E	Add turn lane and paved shoulders or wide curb lanes (possible bike route)
	Waller Road E-Brookdale Road E to 176 Street E	Add turn lane, sidewalks and paved shoulders
Medium	200 Street E-70 Avenue E to 74 Avenue E	New road with sidewalks
	200 Street E/Knoble Road E-Canyon Road E to 204 Street E	Sidewalks and paved shoulders (possible bike route)
	204 Street E-Knoble Road E to 78 Avenue E	Add turn lane, sidewalks and paved shoulders
	208 Street E-22 Avenue E to 66 Avenue E	Add turn lane and paved shoulders
	Brookdale Road E-Waller Road E to 152 Street E	Add turn lane, sidewalks and paved shoulders
	Brookdale Road E-152 Street E to Canyon Road E	Add turn lane, sidewalks and paved shoulders
	Eustis Hunt Road E-204 Street E to 208 Street E	Add turn lane, sidewalks and paved shoulders
	Tacoma Rail Trail-Waller Road E/Brookdale Road E to 208 Street E/70 Avenue E	Rail with trail
Low	208 Street E-66 Avenue E to 86 Avenue E	New road with paved shoulders
	Tacoma Rail Trail-Canyon Road E/180 Street E to 208 Street E/25 Avenue E	Rail with trail

Mid-County Transportation Priority Projects

Priority	Project Location	Project Description
Premier	72nd Street E–Tacoma City Limits to Woodland Avenue E	Upgrade design to current standards, add turn lanes at intersections, add center lanes where appropriate, and add paved shoulders
	84th Street E–20th Avenue E to Waller Road E	Add paved shoulders
	112th Street E–Golden Given Road E to 18th Avenue E	Add sidewalks
	128th Street E–Golden Given Road E to Waller Road E	Add paved shoulders
	Canyon Road E–106th Street E to 96th Street E	Add through lanes, add turn lanes at intersections, add center turn lanes where appropriate, and add paved shoulders or sidewalks
	Canyon Road E–96th Street E to 72nd Street E	Add through lanes, add turn lanes at intersections, add center turn lanes where appropriate, and add paved shoulders or sidewalks
	Canyon Road E–72nd Street E to Pioneer Way E	Add climbing lane and add paved shoulders and sidewalks or trail
	Canyon Road E (North Extension)–Pioneer Way E to 70th Avenue E	Construct new roadway and bridges and add paved shoulders or sidewalks
	Portland Avenue E–112th Street E to SR-512	Add sidewalks, through lanes, and turn lanes at intersections
	SR-512/Canyon Road E Interchange	Widen overpass and modify ramps
	SR-512/Portland Avenue E Interchange	Widen overpass and modify ramps
Tacoma Pipeline Trail–Tacoma City Limits to Woodland Avenue E	Develop trail	
High	104th Street E–22nd Avenue E to Waller Road E	Add paved shoulders
	104th Street E–Waller Road E to Vickery Avenue E	Add paved shoulders
	104th Street E–Canyon Road E to Woodland Avenue E	Add paved shoulders, wide curb lanes or path
	128th Street E–Canyon Road E to Woodland Avenue E	Upgrade design to current standards, add turn lanes at intersections if signalized, and add paved shoulders or sidewalks
	160th Street E–Canyon Road E to Woodland Avenue E	Add through lanes, add turn lanes at intersections, add center turn lanes where appropriate, and add paved shoulders or sidewalks
	Brookdale Road E–Golden Given Road E to Waller Road E	Add paved shoulders
	Brookdale Road E/Waller Road E Intersection	Add turn lanes if signalized
	Golden Given Road E–Brookdale Road E to 112th Street E	Add paved shoulders
	Pioneer Way E–Tacoma City Limits to Woodland Avenue E	Add through lanes, add center turn lanes where appropriate, and add paved shoulders where needed
	SR 167 (River Road)–Tacoma City Limits to Puyallup City Limits	Safety improvements for head-on collisions and access control
	Waller Road E–72nd Street E to 57th Street E	Add paved shoulders

Mid-County Transportation Priority Projects (cont.):

Priority	Project Location	Project Description
Medium	24th Avenue E-104th Street E to 99th Street E	Develop path
	62nd Avenue E-128th Street E to 112th Street E	Add paved shoulders
	64th Street E-Waller Road Elementary School to Waller Road E	Add paved shoulders or sidewalks
	66th Avenue E-West Stewart Avenue to SR 167 (River Road)	Add paved shoulders
	121st Street E/120th Street E-Golden Given Road E to Waller Road E	Develop path
	128th Street E-Waller Road E to Canyon Road E	Add paved shoulders
	Brookdale Road E-38th Avenue E to Canyon Road E	Add through lanes, add turn lanes at intersections, add center turn lanes where appropriate, and add paved shoulders or sidewalks
	Tacoma Rail Trail-Tacoma City Limits to Brookdale Road E	Develop trail
	Woodland Avenue E-128th Street E to 72nd Street E	Add paved shoulders or wide curb lanes
Low	80th Street E-20th Avenue E to Waller Road E	Add paved shoulders, wide curb lanes, or path
	80th Street E-Waller Road E to Canyon Road E	Add wide curb lanes or path
	93rd Street E-20th Avenue E to 24th Avenue E	Develop path
	97th Street E-20th Avenue E to 24th Avenue E	Develop path
	Vickery Avenue E-104th Street E to 92nd Street E	Add paved or unpaved shoulders

Parkland-Spanaway-Midland Transportation Project Priorities

Priority	Project Location	Project Description
Premier	85th Street E/84th Street E–McKinley Avenue E to 20th Avenue E	Paved shoulders
	116th Street S/Steele Street S–Spanaway Loop Road S to Sales Road S	Add curb, gutter, and sidewalks
	121st Street S/8th Avenue Ct S/ Wheeler Street S–Ainsworth Avenue to SR-7	Sidewalks
	159th Street/160 Street/Old Military Road–SR-7 to 27th Avenue E	Paved shoulders or wide lanes, sidewalks SR-7 to 5th Avenue
	168th Street E–SR-7 to 22nd Avenue E	Paved shoulders and sidewalks
	C Street S–Military Road S to 122nd Street S	Build matching paved shoulder to provide for both sides of road
	Cross Base Highway–176th Street S/SR-7 to I-5	New arterial and trail
	Park Avenue S–134th Street S to 125th Street S: and 121st Street S to 116th Street S	Sidewalks and paved shoulders
	SR-512 HOV lanes–Steele Street E to 24th Avenue E (WSDOT)	Add HOV lanes, trail, and landscaping. Keep paved shoulders
High	18th Avenue E–93rd Street E to 85th Street E	Path
	22nd Avenue E–SR-7 to 176th Street E	Add curb, gutter, and sidewalks
	104th Street E–McKinley Avenue E to 22nd Avenue E	Improve alignment, add turn pockets, channelize, paved shoulders
	112th Street–C Street S to 17th Avenue E	Widen road, construct sidewalks, wide curb lanes, traffic signals, drainage, channelization and turn lanes
	121st Street E–SR-7 to A Street E	Sidewalks on south side only
	152nd Street E–B Street E to Waller Road E	Paved shoulders
	172nd Street/5th Avenue–176th Street E to 22nd Avenue E	Paved shoulders and path
	192nd Street E–B Street E to 22nd Avenue E	Path or sidewalk
	A Street–108th Street E to 96th Street E	Paved shoulders or wide lanes
	Ainsworth Road–Spanaway Loop Road to 116 Street S	Add curb, gutter, and sidewalks
	C Street S–122nd Street S to 112th Street S	Improve sidewalks and ramps
	Clover Creek Trail–C Street/Tule Lake Road to Waller Road E	Trail
	McKinley Avenue E–96th Street E to 104th Street E	Paved shoulders
	Military Road S–Spanaway Loop Road S to SR-7	Paved shoulders, path, or wide curb lanes
	Portland Avenue E–SR-512 to 72nd Street E	Add curb, gutter, and sidewalks
	Spanaway Lake Trail	Trail
	SR-7–SR-512 to 96th Street E (WSDOT Project)	Improve intersections & channelize. Minor widening. Add sidewalks
	Tule Lake Road–Spanaway Loop Road S to SR-7	Path. Curb ramps on west side Tule Lake Road at Ainsworth
22nd Avenue E at 152nd Street E	Intersection improvements	

Parkland-Spanaway-Midland Transportation Project Priorities (cont.):

Priority	Project Location	Project Description
Medium	13th Avenue Ct E/188th Street E-192nd Street E to 14th Avenue E	Add sidewalk on west/north side
	15th Avenue E-176th Street E to 168th Street E	Add curb, gutter, and sidewalks
	22nd Avenue E-176th Street E to 152nd Street E	Add curb, gutter, and sidewalks
	121st Street E-A Street E to Golden Given Road E	Add curb, gutter, and sidewalks
	138th Street-SR-7 to Golden Given Road E	Paved shoulders
	196th Street E/6th Avenue E-SR-7 to 192nd Street E	Path
	A Street-138th Street S to 131st Street S	Paved shoulders
	B Street E-SR-7 to 152nd Street E	Paved shoulders and sidewalks
	C Street S @ 138th Street S	Install traffic signal and illumination
	Golden Given Road E-1,500' N/O Brookdale Road E to 112th Street E	Widen, improve drainage, add paved shoulders
	Military Road S/152nd Street-SR-7 to B Street	Sidewalks on one side
	Waller Road E-Brookdale Road Intersection	Intersection improvements
Low	8th Avenue E-208th Street E to SR-7	Paved shoulders or trail
	96th Street E/97th ST E-McKinley to Portland Avenue E	Path
	99th Street-SR-7 to Portland Avenue E	Paved shoulders
	123rd Street E-A Street E to 6th Avenue E	Path
	127th Street/6th Avenue/128th Street-SR-7 to Golden Given Road	Reconstruct to design standards; add turn lanes, improve drainage, pave shoulders and add sidewalks
	Brookdale Road E-14th Avenue E to Waller Road E (Tacoma Rail Trail)	Paved shoulders
	Golden Given Road E-104th Street E to 72nd Street E	Add curb, gutter, and sidewalks
Tacoma Project	72nd Street E-Portland Avenue E to 25th Avenue E	Improve road, add paved shoulders or wide curb lanes & sidewalks
WSDOT Project	SR-7-22nd Avenue E to Roy Y	Paved shoulders and sidewalks, or trail
Tacoma Rail/Parks	Tacoma/Rainier Rail Trail-(72nd Street/McKinley) to SR-512	Trail

South Hill Transportation Project Priorities

Priority	Project Location	Project Description
Premier	128th Street E–Woodland Avenue E to SR-161	Reconstruct to road and drainage design standards, add turn lanes, and pedestrian and bicycle facilities
	Shaw Road E/Military Road E/122nd Avenue E–39th Avenue E to Sunrise Parkway	Roadway widening, curb, gutter, sidewalks, bicycle facilities, intersection improvements-Note: Corridor strategy now in progress
	94th Avenue E–136th to 152nd Street E.	Turn lanes, shoulders, pedestrian, bicycle facilities and additional lanes
	144th Street E–86th Avenue E to 122nd Avenue E	Two lane roadway with sidewalks, bicycle facilities, and possible center turn lane
	160th Street E–Woodland Avenue E to Meridian Avenue E	Add additional lanes, pedestrian and bicycle facilities.
	Woodland Avenue E–SR-512 to 160th Street E	Provide center turn lane where appropriate, bicycle and pedestrian facilities, access management strategies
	86th Avenue E–SR-512 to 176th Street E	Construction of “missing” sections, turn lanes, curb, gutter, sidewalks and appropriate bicycle facilities
	94th Avenue E Nonmotorized Connection: 152nd Street E to Gem Heights Dr E	Develop nonmotorized facility
High	128th Street E–Meridian Avenue E to Military Road E	Curb, gutter, sidewalks, pedestrian, and bicycle facilities
	136th Street E–94th Avenue E to 122nd Avenue E	Roadway channelization, curb, gutter, sidewalk, and bicycle facilities
	152nd Street E–160th Avenue E/74th Avenue E to 156th Street E/78th Avenue E to 122nd Avenue E	Widen from 2 to 4 lanes, channelization, curb, gutter, bicycle facilities, and sidewalks
	7th Avenue E (City of Puyallup project)–Meridian Avenue E to 110th Avenue E	Construct new roadway curb, gutter, sidewalks
	122nd Street E–110th Avenue E to Military Road E	Bring roadways and intersections to current standards, provide appropriate bicycle facilities and sidewalks in areas of highest nonmotorized potential. Work with City of Puyallup to develop a strategy for meeting needs of this network.
	111th Street E–122nd Street E to 128th Street E	
	110th Avenue E–116th Street E to 120th Street E	
	Tacoma “Pipeline” Trail–City of Tacoma line to east of Meridian Avenue E	Develop nonmotorized trail along utility easement
Medium	122th Street E/Military Road E–130th Avenue Ct E to SR-162	Widen to four lanes, pedestrian and bicycle facilities
Low	164th Street E–110th Avenue E to Sunrise Blvd/134th Avenue E	Convert to public thoroughfare, widen from 2 to 4 lanes, and provide bicycle and pedestrian facilities
	110th Avenue E–152nd Street E to Sunrise Blvd E	Roadway widening, from 2–4 lanes, and provide bicycle and pedestrian facilities
