(1) I certify that the information I have provided is to the best of my knowledge true and accurate.

(2) I understand that I must file an Amendment to this Notification if:

- The type of project has changed. The project types are asbestos and demolition.
- The quantity of friable asbestos to be removed meets a larger project category.
- The project's start or completion date has changed.

(3) I understand one Notification must be filed for each structure. The only exception is for a single-family residence that includes multiple ancillary structures, such as a detached garage or other outbuildings having the same street address. If there is no street address, I have used a building number.

(4) I understand the fees for this Notification are nonrefundable.
