

Pierce County Opioid Task Force Summit

Table Talk: Collaborative Action

Feb. 21, 2020

How Can You Support the Opioid Task Force?

- Join a Task Force committee.
- Potential partnership ideas.
- Share data.
- Funding opportunity.
- Increase services.
- Other ideas?

Collaborations

What were some “success factors” that helped propel the collaborative to achieve results?

- Work by yourself.
- Write down one idea per white notecard.
- Place in center of table.

Collaborations

How could the Opioid Task Force use or integrate this approach to achieve results in Pierce County?

- Take a card from the center.
- Read the “success factor.”
- Elaborate or add to the information.
- Place card back in center of table.

Pierce County Opioid Task Force Summit

Table Talk: Fighting Stigma

Feb. 21, 2020

Sit with Your Sector

- Move to the table that best represents your role.
- Take all your stuff! This is your new seat for the rest of the day.

Fighting Stigma

What could you, your organization or the sector you represent do to decrease stigma around OUD in Pierce County in the next one to three years?

- Grab a notecard.
- Work by yourself.
- Pair up with someone and share your ideas with each other.

Sit with Your Sector

What one other sector in the room does your sector need to work more closely with to help decrease OUD in Pierce County?

- Choose a table reporter.
- Pair up with one or two people within your sector.
- Each pair/group take turns to share their thoughts with the table.
- As a table, narrow down to 1 or 2 best ideas that have the most support.

Sit with Your Sector

What one other sector in the room does your sector need to work more closely with to help decrease OUD in Pierce County?

- Report out your tables' idea(s).
- Connect and follow-up on ideas w/other sector.
- Introduce yourself to at least one person within that sector.
