Important Dates

MARK YOUR CALENDAR

You are invited to join us at our preschool Harvest Festival at Zeiger Elementary roundabout on Thursday 22nd. Information will be sent via email.

What are we learning

**BY TEACHER VANNESSA BLANCO
AND MARTHA SANTOYO**

**We will be learning about the Season
Autumn/Fall, trees, the parts of a tree,
who lives on trees and why are they so
important to us.**

TRY IT AT HOME

Something fun to try with the spices you have at home is having your child smell the cinnamon, rosemary, lavender, ask your child which one he (she) likes best and why. You can try tasting the three different color apples (red, green and yellow) ask your child which one is their favorite and why. Gather leaves to make leaf prints or a collage with leaves and twigs.

Please reach out with Miss Vanessa Blanco for any questions or needs regarding resources.
